MEC Morweng to give update on NTI matters.

The MEC for Community Safety and Transport Management, Wessels Morweng has come to note that some North West Transport Investment (NTI) employees have been protesting near the North West Legislature precinct since the middle of December. Reportedly, over non payment of salaries.

The challenges at the entity are not new and have recently been exacerbated by the failure of the accounting authority to pay employees' salaries.

MEC Morweng, as the shareholder representative will be addressing the media to clarify the department's position as well as to provide a way forward in bringing some stability to the entity.

Members of the media are invited to the briefing as follows:

TIME: 11:00

VENUE: MEC Boardroom, Tirelo Building - Mmabatho
